Thread: [Private Crypts for Your Files! | DAILY UPDATED STUB | CHEAP \(\\$15\)](#)

wyvn - October 21, 2021, 3:01 am

Hello Everyone.

I am selling Private and Daily updated crypts for your RAT/Botnet/Miner!

These crypts come FULLY FUD and a new stub is made every day to keep it that way. All crypts bypass WD

I can add the following features to suit your needs:

- Execution Delay
- Force UAC
- Anti-VM
- Disable WD
- Add WD Exclusion
- Add to Startup
- Icon, Assembly & Certificate Masking
- Fake Message Box
- Ability to bind to another file
- Dropper/Downloader option

Price: \$15 PER CRYPT | \$5 PER RE-CRYPT

Payment Methods: BTC, ETH, PayPal, ADA

what does this have to do with my service

i have similar features so that means the only crypter out there is PureCrypter?#

wait nvm ur that fucking retard LOL idk why im responding to u

dublib - October 21, 2021, 3:23 am

hey bud you can't do resales

wyvn - October 21, 2021, 3:24 am
