Thread: [Joke Thread - Have a Laugh!](#)

Joe - October 24, 2021, 7:14 am

I wanted to start a thread where people can come for a moment of silliness. There's not enough humor on this site! Learning how to make blah blah dollars in just blah days is great, but you gotta take a break sometimes. Feel free to add your own jokes, even the bad ones! Maybe someone will at least get a smile out of it. I'll start with this one:

A biologist, a chemist and a statistician are out hunting.

The biologist shoots at a deer and misses five feet to the left.

The chemist shoots at the same deer and misses five feet to the right.

The statistician shouts, "We got him!"

Here's another smarty pants joke:

Schrodinger gets pulled over by a cop. The cop searches the trunk and says, "Do you know there's a dead cat in here?"

Schrodinger says, "Well I do now!"

I don't know why, but that one just gets me every time. I found it online and it cracked me up, and I've read it like 10 times since I posted it and I lose it all over again every time.

Seems like that reddit Joke subreddit. I don't think I've ever had a laugh in that place. Hopefully it changes here.

A family walks into a hotel and the father goes to the front desk and he says "I hope the porn is disabled"

The guy at the desk replies, "It's just regular porn you sick fuck"

bevc - October 24, 2021, 11:08 am

Did you hear about the scarecrow who won an award? It was for being outstanding in his field.

When he collected the award, he said, "This job's not for everyone, but hay, it's in my jeans."

That is hilarious! You have to emphasize it with judgement and scorn to get the full effect.

A family's driving behind a garbage truck when a dildo flies out and thumps against the windshield.

Embarrassed, and trying to spare her young son's innocence, the mother turns around and says, "Don't worry, dear. That was just an insect."

"Wow," the boy replies. "I'm surprised it could get off the ground with a cock like that!"
