I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Read before starting a contract

This guide contains a dozen of basic yet working legal methods to earn money without moving from your chair. However, you do need to know those are basic methods (which doesn't mean effortless either) and the ones most used to money-making methods probably know most of these methods.

If you have any question or hesitate before buying any of the packages, feel free to message or convo me.
