I do not have funds right now

Yes but i am new i do not where to start

ValeriaPanicucci93 - December 27, 2021, 2:07 am

(Nov 3, 2021 06:45 AM)Scarabyte Wrote: [\[CITE\]](#) Start from finding a pack, then choosing your texting app (I suggest snapchat), then exploring e-whoring discord servers where you will find a lot of useful information including e-books and other useful guides including tips 'n tricks, after that find your traffic source (there are many out there such as [BRAND NAME REMOVED], chat avenue, etc.) sfs traffic also works the best, after that you need to determine how you're going to receive your money, there are a lot of things and all of this will take you about a week to a month before you even start earning anything, good luck.

best way to get traffic?

You will need to be capable of investing if you want full efficiency. Not just a 1 day thing.

spiral - December 27, 2021, 12:21 pm

Step 1 - Don't.

I did this when I was young, and looking back wish I spent all that time I now considered wasted on something legit, not gay and beneficial for my future.

Where can I find a e whoring discord server. I'm not sure where to get a snapchat account. Or is there someone willing to mentor?

Slyboo.ts - October 29, 2022, 8:45 am

I am in the exact same boat as you. I want to get into E-Whoring, as well. If you send me a message, maybe we could chat on Discord and come up with some ideas on how to do it, and brainstorm a little. If you're down for it. :)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.
