I just hate this whole "you hurt my feelings for some stupid ass reason so let's ban everything"...

People have gotten way too soft lately, parents over-sheltering their kids, if this is the future, where anytime someone doesn't like something they call it out on social media and it gets removed and we have to walk on eggshells, I rather fucking eat a shotgun shell and die... this is fucking ridiculous...

fenompls - October 27, 2021, 3:49 pm

Wow we're cancelling fictional characters now? Unbelievable.

Bubbers108 - October 27, 2021, 3:56 pm

Cancel culture is so toxic, might as well cancel Freddy Krueger next.

shakur123 - October 27, 2021, 4:00 pm

How can Cancel Culture exist when we have south park, simpsons, family guy and other great shows that made us what we are now?

Envy - October 27, 2021, 4:21 pm

You'd think he'd be bored with doing the same thing all the time.

He should try out a new hobby, like whittling.

Biggy - October 27, 2021, 5:40 pm

TMZ admits in the article that the tweets are being ironic on purpose. You're the one partaking in outrage culture over a joke.
