Thread: [Selling Comcast Xfinity wifi](#)

Reusable - October 31, 2021, 8:25 am

Selling Comcast Xfinity wifi account and yes I WILL GO FIRST This account comes with burst 400mb download speed selling for 12\$

Cashapp/btc had this for roughly 5 years now no issues don't need it anymore account guaranteed to continue to work for a long time

[contract=tid]Start Contract[/contract]

TehLulz203 - November 22, 2021, 4:52 pm

Still for sale? I just wonder how this works

Fellow Man - November 22, 2021, 6:48 pm

^ same question as above... how exactly does this work? I'll take it

Reusable - November 22, 2021, 7:31 pm

if you see xfinity on your wifi networks it will work

Deal with caution has 3 open disputes! Use a middleman when dealing with user!!!!

Reusable - November 22, 2021, 7:59 pm

thats fine i will go first on it i dont even mind

Imfao00 from a byte giveaway I did for neg reps to prove they don't mean shit annnnnd that was already handled by a staff member the day after it happened but keep trying cutie

also thanks for the neg rep my next goal is -200 pls add more if u can <3

and just for you to yoink the account back like Imfao00 okay

what do you mean can you use phone number with this?

you just pull up xfinity hotspot on the wifi and login with it better if you have the xfinity app first tho on phone.
