Credits to "Aeonhack" for Roundrect function...
Credits to "Mephobia" for NoiseBrush function...

TOS

No sharing or re-distribution...
Sales are final, no refunds...
If you break the TOS; you will lose all perks and any support...

What do I get when I buy the Theme?

Source Code of a Theme in VB.Net (you can compile DLL to use in C#)

Future Updates. I am planning to add few more controls once i get time. I will email them for free to all buyers...

Support for 6 Months...

Price - \$25 only via Paypal

I developed this theme for someone but due to some personal problems he can't buy now. That's why i decided to sell it here...

If you want to check my free themes you can check here -
