Whole bunch of RATS

Enjoy! =)

Rexis - March 29, 2009, 12:51 pm

Nice , but they are all very old trojans !

Yes but some of 2008 with good remote options...and 2 Rat's from 2009

DarkOne1 - March 29, 2009, 1:26 pm

Okey ... Not a huge list and it's missing tons of well known RATs

Vlatko - March 29, 2009, 1:55 pm

ProRat,Turkojan,Yuri and many more missing

NoOne - March 30, 2009, 4:43 pm

Not huge and not great, most of them are from 1998 - 2004 which isn't that great.

Social engineering IS hacking basically.
persuading the person to download your file.
it's like a little riddle/puzzle ^_^

bigred8080 - March 30, 2009, 6:01 pm

yeah thats what makes it fun i think lol, kind of a challenge lol, see what kinda of BS you can come up with lol

pwdcracker - March 30, 2009, 6:45 pm

most of them are old like before 2000 does any one know where i can get some newer ones.
Thanks

i saw this a little while ago, and the site looked good. now it wont load >.>

tusku - April 9, 2009, 5:47 am

Those are pretty old. But we appreciate your effort!

DigiDeveloper - April 9, 2009, 6:02 am

the site contains alot of used to be useful rats, not so much now a days.....

#DataBase - April 9, 2009, 6:31 am

RATs Mega List .. ;)

Use ths 2009 rat by Darkhk3r

SØMNIUM.EXE - *July 11, 2009, 3:59 am*

There is "RATs megathread" where there are many RATs to download...

arkark - *March 25, 2010, 6:10 pm*

will these work with windows 7?

Probably not, but you could try instead of asking.

HackerWithGermanAccent - *February 16, 2025, 2:03 pm*

Time traveling back to the year 2009 when there were just as many RATs in the walls as cockroaches.
