I think the price should be more. Red Lions literally the oldest group of HF and has some pretty

history to it. It was literally owned by Saud al-Qahtani, the Saudi Arabian consultant and former royal court advisor, among other thing. Pretty important guy, he was a legend here and everyone misses him.

I think the price should be a LOT less . Crews are worthless show me an active game that crews can play ? There's none ! We have been waiting a few years for the hack game to be updated so we could have crew v crew what's happened there NOTHING . HUM well that did have promise until scum bags stole millions of bytes from the site . Crews need active games that's the bottom line ... Or people buy a crew for the change of user bar that's all

A few active games on site would be a game changer but looks like it's never going to happen . RIP to crews !!

But good luck with your sale OP

To be fair, this is a cartel not the group.

Technically, Omni closed the group due to nokia2mon2 officially being AFK for years (we all know why)

So to be clear, it's the cartel CREW that is for sale, not the Group.

The group would have been worth like 3-5k if it still existed

Nate - December 5, 2021, 5:54 pm

Is it the red lions crew you are selling? Jus curious.

Offering a discount for Christmas. \$650 for this crew for the next 48 hours. After that price goes back up. This is a Christmas deal only.

Stanley - December 26, 2021, 6:31 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Yes, this has 20 spots and userbar abilities. The cost to change the userbar (badge) is 500 bytes.
I'm offering 1,000 bytes so that the new owner can have a free rebrand

(Jan 19, 2022 06:36 AM)ZELOS Wrote: [\[CITE\]](#) I'm interested in buying.

I'm not very familiar with groups on HF so I got a few questions:

Can I rename the group?

Does the group have a private area here in the forum? (Section "Groups")

Can I kick existing members?

Do I have full control over members, private area, badges and graphics?

Can the limit of the number of members be increased? (Actually 20 spots)

Can I delete existing posts and threads?

I'm confused because you write things like:

"Technically, Omni closed the group"

"So to be clear, it's the cartel CREW that is for sale, not the Group."

What are you selling exactly?

Thanks! ?

[Lrrr](#) is selling a crew not a group. There is no private sub forum, instead there is simply crew benefits such as a bytes vault and a userbar. 20 spots is the max that any crew can have. While a group (which is more expensive) can have unlimited members. You can rename the crew and change the userbar for a bytes fee 2,000 bytes if I'm not mistaken. Hopefully this answers your questions.
