Do I really have to remind another Vendor to use contracts? Consider it your lucky day you aren't getting 6 months for being a moron.

I was already punished for that. Why do you think I'm admitting it out publicly?

First - Your Breaking My Terms and conditions which u agree upon opening a contract

Terms - IF YOU ARE Seller who is OFFERING CRYPTS OR A CRYPTER PAID OR UNPAID, YOU ARE NOT ALLOWED TO BUY. and will result in termination of the service without a refund as per my TOS

Your service -

2nd -

Proof of Purchase not Provided in this DD neither u contacting me as all my orders are process manually , i keep records and i cant locate u

i have not received any proofs to deem this report or contract is valid as i cant see any of them on the DD neither on contract page notes or my HF pm's or on discord as i was active on it over the period i was aware from hf

This thread predates his service offering. He started offering crypts 1 month after opening a report on you as far as I can tell. So he wasn't a seller when he bought.
