Thread: [HF MEMBER IMPOSTOR](#)

shakur123 - November 8, 2021, 11:11 am

I was approach by a scammer on Discord who poses as a member of HF, more exactly the scammer poses as [Lrrr](#)

The scammer wanted me to buy some code on g2a in a exchange for btc or PP, i say yes but im not doing any deals outside HF so when i ask to accept the contract the scammer just went offline.

I can provide more proof of the discussion if needed

[Proof 1](#)

BEWARE OF THIS [SCAMMER](#)
