Pardot - November 9, 2021, 6:40 pm

Hi HF,

I have some money left over in a SMM panel I used in the past and I'd love to give back to the community. Keep in mind these are probably LQ accounts.

If you're interested, just comment with your IG username or if you prefer to you can PM me the username after commenting and I'll get them to you ASAP.

Requirements:

- IG Account must be public until all followers are added

This is open for everybody but limited to

- 2 x Standard Users
- 4 x L33t
- 4 x Ub3r

Have an awesome day ?
