Are you offering any vouch copies? I'd love to try this for three days.

Our server offers free tips occasionally.

I can send you link as vouch copy if you're interested.

OP gave me a free tip as a trial for today, I made a bet of around \$57 in a 1.52 odd and it was a win.

Im getting into sports betting, ill take up some free tips you post if you send the link?

thanks

OP provided me with a vouch copy (a premium match).

Although the match itself wasn't right (you're still betting after all), he did provide me with an extensive summary on why he believes the tip he provides is the right one.

This definitely isn't a no-brain method, but more of an add-on of the research for yourself. OP is covering statics and his personal believes as well.

I believe in the long run this can quite be a catch (with your on due diligence).

GLWS OP.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
