Lightning Fast - November 15, 2021, 12:15 pm

Hey Hack Forums, looking to sell my account I owned for a while now.

I bought it from a repped supplier a while back and he said OGE is deleted. I owned it for 8 months now.

Expect me to stock more accounts as I'm a reseller of CSGO accounts

I will provide you with email access (protonmail) and access to the pc steam auth tool.

I'm only using MM so don't bother trying to scam, I will always confirm on-site as well.

MM fees on you.

Price: N/A

Offer: None (don't lowball please)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
