(Nov 24, 2021 07:04 AM)Tsu Wrote: [\[CITE\]](#) First, I want to apologize for taking a while to get back with my review, I received a Vouch copy from Op which is a PDF file, Went through it and tried the method basically there are 3 functioning methods on it but I went with one and done it. I Vouch for the product you surely make money with this and please have it in mind you have to work.

(Nov 16, 2021 07:14 AM)Zimhoni Wrote: [\[CITE\]](#) OP has agreed for me to have a vouch copy so here's my review:

It's a PDF file that contains 4 pages (last one is blank for some reason) so it's actually 3 pages. The methods are straight forward without too much of complication and honestly it might have a potential but it will require you to put some of your time into it to get paid because "some will pay you a fixed rate, while others may pay you an hourly wage"(Sholi's words from the ebook). So in conclusion, if you are really new to making money online and have the time and dedication to spend for then it might be worth the shot.

Once again thanks for the vouch copy and GLWS!

Spoiler ([Click to View](#))

- Sales trashing will make support, future updates, and the refund policy void.
- You must wait at least 45 days before you can attempt to claim the refund policy
- I can change these policies whenever I want without an update notice.
- By purchasing, you automatically agree to all of my current and future terms of service.
- Opening a chargeback will make your support, future updates, and refund policy void.
- Proof might be asked for when attempting to claim a refund, and you must comply.
- We will not argue about what is sales trashing and what is not, if I deem it sales trashing then you have broken the T.O.S
- Leaking or sharing the guide or the smallest detail will result in your support, updates, and refund policy becoming void. It will also result in all your private information being put into a public scammer database.

That could be atleast \$200 a day.

Mostly PayPal.

Depends, weekly-basis is common.

Sorry, only trusted and upgraded members will be given vouch copies.

I'd like to see reviews of people actually earning from this and not the "this should make you money if you try" type of reviews. Hopefully you can find someone who will do that that will really sell your service. GLWS

Hi brother. Is it possible to get a vouch copy on this? I can write a honest review. Thank you

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

A detailed review is my promise.
