Not going to get into it completely, But due to real life events i've been unable to give the group the time it truly needed and as such the vision for the group never came to fruition.

Due to the ongoing personal issues, I can't see this situation improving, I will be taking some time away from HF whilst im dealing with these issues!

It's nothing major just a break up etc and getting out and finding myself again!

Make me a reasonable offer, It's highly upgraded and worth every penny. Comes with branding should you wish to continue to use it.

Looking at a quick sale of at very least \$3000 plus you pay transfer fee.

Sad to see another HF group go, but I understand. Best of luck finding someone to purchase it!

We got out bid anyways.

My 3k offer is serious. Will pay transfer fee as well. Asking for POF for such a low amount is silly. If you want the 3k I want the group. LMK.

I think it's important to stress; 4.5K min offer or it's not going to get entertained
