May I ask how strict is the KYC? also I would like to take a vouch copy.

hey, nice question. you have to simply have a bank statement and a valid ID and be over 18 years of age, if you know someone who can do it for you then once your verified they don't ask any more questions and you are ready to go. as for the vouch copy not to be disrespectful but I want 2 very

established high ranking members just to instil trust more into buyers. I however wouldn't mind giving you a discounted copy to the first buyer for 299\$, you must write an honest review if you are the first copy Purchase also.

ChiefThunder - November 21, 2021, 12:51 pm

Do you require to have a coinbase account? I used to have one and they banned me for no reason so I can't get a new one.

Very good question, yes part of this method does include envelopes which is part of the initial investment you will be using envelopes

If you still need a member for a vouch copy let me know.

since you are Uber with over 100 B+ ratings and no other higher-level person has volunteered to get the vouch copy, you can have it. congratulations on your free printable money. DM me and lets get going

Beaks - November 24, 2021, 7:19 pm

I have received the vouch copy for this. It will take several weeks before I can confirm if this works.

If this works I can guarantee you that this will out earn your day job. It will require some manual labor each day but not much compared to a regular job.

I will update in some weeks to come.

EnG1ne - November 24, 2021, 7:24 pm

Sent you a PM to inquire about this

Finally someone who's willing to actually post a relevant review with profit/loss. The only vouches you read here are usually "You could potentially make money", "E-book layout is good", "grammar is good" and "There's a lot of potential in this" that are irrelevant to what people actually want to know: "Did you make money?".

I look forward to read your review.

You could have at least made a thread design bro. It's not like you won't make your money back.

vlajke - November 28, 2021, 3:07 pm

your reply sounds condescending comparing my method to other methods you have purchased, it's not my fault you got burned but my method is proven and literally can't be saturated, I will not be doing any middlemen, you get paid 5-7 weeks after you start this method. I have an entire discord channel filled with people who have earned thousands for this method and it's literally so easy for an elementary school kid could do it. If anything im doing you a favor for even offering this

if you can get around the ID and cam ID check can you receive payout in giftcards or does your bank also need to be verified to receive payouts in giftcards

If you can successfully get around the face and ID verification you can indeed use gift cards without needing your bank however you must still be a us citizen

Sounds good, you don't have any reviews yet, your discord group has nothing to do with this deal so I'll have to pass until I see real reviews here or you change your mind about mm. glws

No problem.

Did you contact me about my method then ask a whole bunch of questions. Then go back to sell my method..... Then you bug me on discord about what I do... Now your selling it?

JoeyEcom - December 3, 2021, 8:31 am

No idea what you're talking about but thanks for the free bump

Imagine claiming someone stole your method when that person has never bought any methods from you???

Stanley - December 4, 2021, 8:13 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
