Thread: [SCAMMER ALERT - ATTEMPTING TO SCAM.](#)

ThatDevAaron - November 21, 2021, 10:48 am

BE CAREFUL - THIS FUCKER WANTS ME TO MAKE HIM NON-WORKING SOFTWARE TO SCAM SOMEONE.

IF YOU MAKE HIM SOFTWARE, UR ASSISTING IN SCAMMING AND UR THEREFOR A SCAMMER.

VIDEO: IN THE VIDEO I MAKE HIM MSG ME ON HF (HE MSGING ME ON TG) to authenticate he is him and I show all msgs.

[deleted]

USER: [Gorringz](#) - HE PLANS TO ALT IF BANNED.

I hope staff ban this clown and dont let him run around. - leak his login info like IP and shit ty would be very nice <3 maybe also his password hash and email =)

You may or may not have a valid community alert. But I would advise you to remove the name of the competing website in your YouTube video.

The white knight vigilante we needed.

Rules are rules man, I was just trying to inform you that your video mentions and shows a competitor forum which is against the rules.

You should have just sent the video to staff instead of posting it if you found it to be that important

All HF members should think before dealing with any member, especially a new forum member. No reason this couldn't be a quick report.
