Thread: [What Are You Drinking?](#)

Rionxee - November 23, 2021, 11:33 am

Happy Thanksgiving to everyone, I went and picked these up earlier to enjoy for myself this week. The 2010 Dom Perignon is pretty delicious, better than the 09 in my opinion. As for the Krug, the 168eme is pretty exceptional itself.

What is everyone drinking on this week?

At-least you were smart enough to buy them from a store instead of pay \$1k at the club

I had quite a few awards points and a gift card to Total Wine and was able to snag these at a pretty decent price, plus it's the holidays so I wanted to treat myself.

When I was 21 I had worked at a nightclub as a bouncer for a summer and the amount of money that people wasted on bottles was sickening, a \$30 bottle of Titos vodka was marked up to \$250, most tables had \$1200 minimums so it was pretty wasteful. We would get to drink unfinished bottles of Dom P and Aces which was honestly not a bad perk, some of these bottles were practically full.

I blacked out last Saturday drinking jager, woke up on my parents couch after I apparently text her
to come and get me. At least I didn't drink and drive, that stuff is potent.
