Thread: [Botnet Spot](#)

leonid3321 - November 24, 2021, 11:36 pm

Hello, which botnet is good to buy? I mean full setted up net spot with L4 / L7 bypass that can hit OVH
Budget: 100€

jmark7 - November 25, 2021, 1:40 am

If I am not wrong, talking about DDose is not allowed on HF.

Zverovod - November 25, 2021, 6:12 am

you can use any free rat for that. i don't believe, that you can find something better for your amount
