Thread: [Zelf - 20 EUR free on virtual credit card](#)

nniks1999 - November 26, 2021, 4:33 am

? Hey! I am sending you €20 as a gift to your Zelf card.

Zelf is super-fast banking in messengers.?Send and receive money easily by text or voice with no fees.

Join me and get your €20 boost here??

[HERE!!](#)

Zelf cards are already available in France and Spain! Sign up here with your phone number in your favourite messenger: WhatsApp, Telegram, Viber or Facebook Messenger. Your card will be ready in 30 seconds.

The card will arrive in your messenger, no plastic, just a virtual card that can be added to Apple Pay and Google Pay. The bot will notify you when your card is ready.

Also you earn 5 EUR per friend invited on this project

I have seen it is available in France and Spain for now. But they say they will launch worldwide soon.

I joined their discord but nobody answered me yet.
