I currently have a \$200 AGC. And I do regularly change, just my usual ones are not always one when I am. Can we liquidate this to crypto please?

Don't trust NullSafe. He just scammed me! Complete liar.

Don't pretend like you didn't just change your name from NullSafe. SCAMMER

NullSafe is now KillSwitch. He changed his name because he knows he guilty of fraud.

BlackPanth3R - March 8, 2022, 1:53 am

That's a serious accusation. Have you opened a scam report?

riceman - March 8, 2022, 3:59 am

I have 50, 25 and 5 amazon cards for sale!

QU35T - March 8, 2022, 7:44 am

Hey G, still buying? I've got \$140 in US Amazon GCs.
