Can you send traffic to YouTube channel?

bronzegods - January 28, 2022, 2:37 pm

I have a few questions regarding this package.

- 1) Is this traffic adsense safe?
- 2) What do you mean by lifetime. How many hits do you promise per month for the rest of the life?

PS: This is an old thread (Just saying...).

- 1) Don't worry, its adsense safe. Like I said, its real people.
- 2) when I say lifetime I mean as long as your site is hosted. I can't guarantee a certain amount per month, but it can range from 1k-5k or more (Really depends on the people, but I can guarantee it's between these numbers or greater).
