I suppose you're not the only one, I'm not that known around here. I used to mostly lurk but HF has always been my forum of choice. It's pretty recent that I've decided to engage in the community. Hope to see you around in the future. :)

No secret formula needed, motm is rep based, most rep earned in a month = win.

Anyway, congrats Frsh.

It used to be a popularity contest. Most popularity is a month took the award. Now it's back to voting with Staff.

The Joker - October 2, 2025, 3:23 am

Hmm. I guess I need to be nice to staff from now lol.
