Thread: [Host Returns Christmas Special \\$25 & \\$50](#)

Host - December 3, 2021, 8:05 pm

I plan on becoming back active, a lot you of you really don't know me. I usually just make deals and go offline but i do help out alot in the shadows. This is my first day being Ub3r so I plan on giving back to the community.

Nothing too fancy on this thread, you don't have to rep me to gain a entry. I remember signing up on HF when I was like 15 years old so I know it's hard for some of you guys to get upgrades especially with the covid shit going on.

For the entry tell me WHY I SHOULD PICK YOU.

1st Winner - \$50 (Only L33ts can win this)

2nd Winner - \$25 (L33ts or Normal members can apply)

This ends December 24th.

Happy holidays ladies and gents.

You have the heart at the right place. <3

This is not an entry (Since I am nor L33T or Non-upgraded)

xBins - December 3, 2021, 8:31 pm

Put me in, this is my official entries to joined on your contest.

May I ask, do you allow for multiple entries or not?

Rahul007rhp - December 4, 2021, 9:06 pm

Great to see you back mate. I just entered in the ub3r giveaway its nice to see that your also doing a seperate giveaway for L337 & normal members.

This is not a entry !

Simon77 - December 5, 2021, 12:08 am

I'm posting for the second prize.

For the entry tell me WHY I SHOULD PICK YOU : I think I should be picked because I'm one of the best non-upgraded member on HF according to

[Best grey users of the forum list 2.0](#)

And if I win I'll like to have the lifetime L33T upgrade instead of the cash prize. (It's \$25 but omni will make it cheaper soon.)

I had already decided to upgrade myself but then I saw Omni will offer discount on Permanent L33T for December so I'm waiting till Christmas Eve.

Thanks for hosting this giveaway !

Thanks for doing this mate. Good luck all!

TeamAndroid - December 6, 2021, 12:01 am

Welcome back and thanks for hosting.

Blockonome - December 6, 2021, 5:35 am

You should pick me, because I am a kind and nice person, but you told me that somethings always off when we speak, so I am here to show you, there is nothing off, I just want to win a giveaway! Thank you very much for this chance, sir!

I'm returning too, would love to stay around.

An ub3r upgrade would really help me out with exchanging and allow me to make threads when I have AGC/Crypto in stock. I'm a genuine member to HF and would love to help increase post quality and +3 those who deserve it, especially the newbies.

KimJO - December 6, 2021, 11:27 am

I should win this one because I'm nice and broke as fugg :P Thank you for hosting this lovely giveaway.

gnojedkire - December 9, 2021, 1:26 pm

You should pick me because if you had to choose with reason, be aware that reason is just an excuses to the world to do something wise..

Host - December 9, 2021, 3:38 pm

Thank you all for posting :D

Telstra - December 9, 2021, 6:19 pm

Pick me because I will use it to pay for my new car,

Charybdis - December 9, 2021, 7:25 pm

You SHOULD pick me because I am an honest seller on this website. Even though I have been scammed a few times I know there are more good people in this community than bad. Also, the money would be great to help buy Christmas presents.

Thanks for this giveaway!

ValeriaPanicucci93 - December 10, 2021, 3:29 pm

Good luck to everyone entering :D

Yin Yang - December 11, 2021, 7:14 am

I sent you QL. I hope I can win this to recoup some losses (got scammed recently), and help out with some personal finances.

amg64 - December 11, 2021, 5:56 pm

If I win this I will flip on the crypto for a while and use that money to pay off my college debts.

Thanks for your generous giveaway!

Prettykitty - December 11, 2021, 9:14 pm

Had a few ups and downs this year. I lost a lot of crypto due to being scammed.. Felt really bad for a while. I hope to recoup in the future. Pick me so I can start saving up crypto again!

Host - December 15, 2021, 6:40 pm

It sucks to see not a lot of regular members not to take this opportunity.

Because I will use it to ub3r upgrade and likely be more active in sections that seem to be lacking in activity.
