Hi, i`m here to share with you a new version of my method to earn through adfocus (remember [this](#) post?).

With this update you`ll increase your earning through time using also a new website.

For those who don`t know how to do it, here`s some info:

Requirement:

- Computer
- BTC Address
- PayPal Address
- WIFI

(Not the best way, but you will earn in about 5 days. That`s why I added the multiplied income section in the pdf. This will instruct you on how to gain income faster.)

Regular Income:

Profits: \$10+ by end of week (If done right)

Cashout is at: \$10

~~

Multiplied Income:

Profit: \$25+ by end of week or LESS!!(Estimate)

Cashout is at: \$10
