My apologies, I did not realize the occasion. (Newyears Holiday).

separatista - January 4, 2022, 12:54 am

I have a few questions:

1. Does this work for EU?
2. Is it ok for stage/internships? (Not contract, just willing to start as internship)
3. Are there any jobs related to data science?

Thank you!

Yes, there are internships being posted on the job portal as well, few, but they are there, as well as part time jobs.

Very interested do you have a telegram or discord?

Jack IQ - February 16, 2022, 10:51 am

I don't know how, but I'll be back here later if the service is available.

Riddick - February 16, 2022, 3:16 pm

Do you have any further information on UK-based jobs you can get with this?

Salaries/rates of pay vary greatly across the UK, what sort of pay have you noticed for the UK jobs?

Also, is it invasive? By that I mean do you they expect you to be watched via a web cam or anything like that?

Please also include anything else you think I might find useful.

SIM-3181517 - March 4, 2022, 12:49 am

I am interested, looking for jobs in the software developer route

Anyone from the group having positive results can post in the thread?

?OMEGA? - March 9, 2022, 2:46 pm

This is actually really dope. I'm becoming a front-end web developer. When i feel like i'm good enough might come back to this just to get a side hustle.

There a fewer part time jobs than full time jobs, however, let me know what you are searching for and I am sure we can find something for you!

Stanley - June 21, 2022, 5:34 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
