Thread: [Selling 100k Bytes - \\$220 Crypto](#)

HypeGuy - December 8, 2021, 5:31 am

Sorry for posting my thread here but I can't post in Currency Exchange forum where other people are selling their bytes.

I'm looking to sell 100k bytes for \$220 in crypto. If anyone is interested, please contact me.

Legit user vouch for him sold me some bytes. [warn]

HypeGuy - December 8, 2021, 3:02 pm

Still looking to get these bytes sold.

sakki - December 9, 2021, 4:08 am

From where you even selling this bytes cause u got like 900 lmao
