Thread: [Looking for exchanger \[H\] Cashapp \[W\] BTC or PAYPAL](#)

SecretAchiever101 - December 8, 2021, 7:12 am

Title is self explanatory. I am looking for long term exchanger. Also, I'm not going first, these are my only terms. Hit me up if you're interested!

My cashapp for your paypal - 1:1

My cashapp for your btc - 5% in your favour.

I have the right to deny dealing with you.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
