Thread: [REDDIT ACCOUNTS Starts from \\$2 Fresh and Aged Accounts With and Without Karmas](#)

**Daredevil** - December 8, 2021, 7:30 am

If you are looking for Reddit accounts at affordable price you are at right place. I can provide both fresh and aged Reddit accounts. Accounts with Karma also available. All accounts are email verified. You will get accounts with emails and passwords.

Reddit 1-7 days old 0 karma: \$2 per account (minimum purchase-5 accounts, accepting crypto payments)

Reddit 7 days old accounts with min 5 post and comment karmas (mixed): \$3.5 per account ( minimum purchase-2 accounts, accepting crypto payments )

Reddit 1 month + old accounts with karma and without karma accounts are available. PM or hmu on discord for them.

Note: Accounts are not email verified! Please ask me stocks before ordering accounts ?

FAQ 1) Are the accounts are cracked or hacked?

1) All accounts are created by my own reddit creator. We do not sell cracked or hacked reddit accounts.

2) Can I change password after login ?

2) Of course, you can change. We recommend you to change the password after login. But it is better, if you do not change on first login as it may be suspicious.

3) Any bulk discounts ?

3) I'm not giving any discount for bulk orders.

Refund policy

No refund after purchase. In case, there is any problem with the account, we will provide replacement.

This warranty does not include problems caused by the customer, including but not limiting to:

Abuse of the platform's TOS
