Thread: [Lost my old ChickenCam APK..](#)

Can someone PM the ChickenCam APK. Someone sent me it a while back but I lost it.

(Tried compiling it myself ages ago and it didn't work.. I remember there was an APK for it)

Thanks in advance!

There definitely is mate. Someone PM'd me it on here a few months back. Mega link is now dead though.

There was an apk flying about a while back. I get an error while trying to compile it like so many others - there's an issue with it.

Find ChickenCam2020-Android on github, the guy provides a video explaining all the steps to compile it.
