Thread: [Free Bitcoin Every Hour \(24 times Per Day\)](#)

Sportsbetting - December 8, 2021, 5:22 pm

Hi guys,

I have recently been using a method to earn Bitcoin every single hour simply by clicking a button.

The button will roll a number between 0-10,000.

The higher you roll, the more BTC you earn.

You are able to also play Hi/Lo, and place bets on upcoming sports matches LIVE

This is a very simple way to earn Bitcoin passively by doing nothing

Please PM me so I can get you started.
