Thread: [Just deposit \\$100 on Stake and Won \\$6400 on my last bet \[VIDEO\]](#)

HypeGuy - December 9, 2021, 2:22 pm

So I went to Stake and deposit \$100 and do 5 bets \$20 each on crazy time. On my last bet I hit 20x Crazy Time and choose yellow which was 2000x.

This is my biggest win yet and I'm so happy <3

I luckily got it recorded on a video if anyone wants to see it ?
