It wouldn't make sense for an OG like me to not be able to rep those adorable mushrooms, also considering I'm a mush-father myself I have alot of entheogen and psychedelic knowledge/experience. Am willing to share knowledge with others, and listen or just be a friend :)

koder - December 11, 2021, 9:06 am

I would like to be in the crew, I have never been in one. I think I'm a hq member and pretty active, I check HF everyday and I'm a nice developer :P
