Imagine not having to worry about major dissertations/assignments/homework and simply using my service to score 90% plus like all my clients do. All you need is to send me your assignment details with the word limit and deadline, then you get a quote from me (with special discounts if you are a new customer). Afterwards, we move ahead and you get it delivered to you way before your deadline. I respond within 2 hours so don't hesitate to email/call.

Bonus offer: New customers get their first assignment for free!

We have been doing assignments for over 10 years for students now and have a solid client base of almost 300+ students who regularly send us their homework since they simply don't have the time to do it, or they want to score higher!

As a 25 year old veteran in English/Math/Physics/Chemistry teaching, I have been a specialist in a wide variety of assignments for students from different colleges, universities and schools; in various writing, researching, proofreading and similar projects. You need referencing, in-text citation, APA format, resume help, personal portfolio...you name it; I have done it all :)

I have also worked extensively as a copywriter and copy editor for advertising and marketing agencies, sporting event and music industry promoters, major multi-national corporations, and small local businesses as well. Additionally, Included in my experience are 20 years experience writing about various religious ideas and spiritual practices, financial topics, complex pharmaceutical and medical discoveries, holistic healing and alternative medicine, psychological disorders and self-help measures, international travel experiences and the list goes on.

My students:

- Always rely on me on even the toughest deadlines and praise me for the punctuality and responsibility of work
- Pass their exams with A+ grades
- Admire the detail, research, organization and the overall quality of work provided
- Recommend my service to their friends. IN FACT, in many schools, 60-80% of students use my skills and services to their advantage
- Appreciate my knowledge and understanding on various research and assignment-related ideas. PLUS, they love how I can improve the same skills within them
- And,
- Are thousands in number all over Canada, because they simply love the service!
