We had a dope winning yesterday. Nice way to celebrate Christmas :)

EnG1ne - January 1, 2022, 8:29 pm

I got a vouch copy for 1 month and the service is no longer being maintained as it seems HypeGuy has left the discord server.

The win rate for the VIP matches was approximately 50% over a period of about 3 weeks.
This, of course, is too short to determine if his claimed 90% is accurate and I am bummed to see HypeGuy leave so abruptly.
