hi there,

thank you for your interest. i'm not quiet sure what you mean.
we don't provide reports but if you are in doubts, you can follow that specific account and see it yourself.
if you mean, who we are targeting, this works on you give us a channel/profile on which users we target.
hope that answers your questions. if you have more, feel free to chat me/pm me anytime.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

we dont give out reports as of right now. if your clients are unsure, they can join the server and see it for themselves.

other than that, yes sure. we will have a website up very soon where you can track all the sales you made and get paid daily for your efforts but if you want to start beforehand, feel free to resell our services.

will start convo right now :)

Interested in the service. Can I pay for 2k messages as trial?

Fi?is - January 28, 2022, 3:46 am

hey mate, is it possible to dm people following a channel ? I have serious doubts about that, since we cant see who follow the channels

(Jan 27, 2022 09:09 PM)dreadpixel Wrote: [\[CITE\]](#) Interested in the service. Can I pay for 2k messages as trial?unfortunately we already assigned people with vouchcopies.

however, there is a reason why the limit is higher. you have to put in the consideration, when a campaign gets successful.

imagine, we going for a page or whatever, and half of it is bots. and we magically, just got those. 2k msgs would have been thrown out of the window.

i'll talk with my team so maybe we can offer you a coupon with 5-10% off. how does that sound?

concretly, I want to send 100K message to a 110K subscriber's TG channel so, I guess it's impossible ?

Well... If you want to have more sales you need to have at least a trial package so people can afford to lose.

That is a better lead generation strategy don't you think?

Also... What if I want to send you a user list on txt?

mose3c - January 28, 2022, 10:38 am

do you use more social media or just only telegram and instagram ?

Also... What if I want to send you a user list on txt? Well that was probably the biggest discussion. I prefer people to stay and they most likely will stay with volume since that is a big factor in results. Will think about to lower the minimum for the next update. Thanks for the input! I really appreciate it :)

Yea, we could do that too. Feel free to dm me anytime about your project.

As of right now, its the only 2 we do. We're currently in the process to add another module. You got any suggestions on what we should add after that?

Vehicular - January 29, 2022, 11:07 pm

How do you target your audience? Can you choose their location and interests etc?

as stated in the OP, you provide us either groups or a certain accounts that are in your niche and we'll send your message to their followers.

Wow, sounds good, but that minimum order for TG DM's is a deal-breaker for me, tbh.

Please tag me in this thread if something changes in that area.
Thanks

Hi,

Thank you for your interest in our services.

As mentioned before, the minimum amount is made for 2 reasons, the first being the results for our clients. Lower amounts bring little to no success. It's really a numbers game. Successful campaigns heavily rely on your message and your offer. Furthermore we have to take into consideration burn rates as it affects our bottom line.

In regards of the pricing, we are planning to even raise the price eventually as we continue to update our pricing dynamically.

If you are looking for free trials, discounts, vouches or anything that are indicative to lesser rates, we regrettably won't be able to offer this as we are already offering the cheapest we possibly can.

FOUNDER - March 21, 2022, 2:46 am

Hey, please PM me if you're still offering this service. Super interested to give it a try.

Warsheep - *March 31, 2022, 11:26 am*

So after working with flyingduck for a bit I have to say he is likely one of the best sellers I've met on here. Nice and trying everything so his customers are satisfied. Can't say one single bad thing. Service itself is also amazing, had a few problems which were likely my fault and he's done everything so my campaign will not fail.

SIM-4720938 - *December 26, 2023, 10:28 am*

is this service still available ?
