Thread: [Scammed by nCuX0](#)

Rs6 - December 15, 2021, 7:41 am

Hello group,i want to inform all for this scammer [nCuX0](#)

I know I will not get my money back and I do not blame anyone (except the scammer), but I want to warn everyone that he is a scammer.

24 hours after payment, he deleted the entire history and stopped answering me without any warning, and he is online.

For 13 years in this forum i have seen many liars but i have not seen such impudence.

It doesn't matter to me if I have a contract or no, it's very strange to me how he allows himself to cheat people just because they don't have a contract even.

If i had a contract, the only thing that would be done was to get banned.

And there are several disputes about his profile for scamming.

I wrote to him here a few hours ago, and he doesn't answer.

I say again, i'm not looking for fault, i'm just warning you.

This is our communication.

If, in addition to being deceived, ? will be punished ok, but hopefully the deceiver will also be punished.

You clearly didn't read the rules. YOU HAVE NO CONTRACT.

The only deceiver here is you, and you are deceiving yourself.

You didn't show any unique discordid, you just showed a username.

So now we got 1 guy making a false report based on a deal done in discord...and another guy sending screenshots of changeable usernames (not the actual unique discord ID number)

lol....how do you guys survive in the digital world while being so clueless?

Good thing your opinion doesn't matter. An admin will be along to close your account if you think
you're somehow exempt from using contracts.
