Thread: [Camera google dorks; premium edition](#)

JTheRipper - December 15, 2021, 12:07 pm

It's more webcam google dorks, but this time, They're locked behind a Byte paywall, because I'm an asshole.

PRO'S

- . Look through city streets and rooms and sometimes bedrooms even sometimes gamer setups.
- . Only 10 Bytes.
- . Bonus dork for nessus vulnerability scans.

CON'S

- . Ten bytes.[attachment=411]

v3l1an - December 18, 2021, 1:42 pm

Thank you very much brother!

mertrixy - December 19, 2021, 1:28 pm

Thank you very much brother!
