Thread: [\[VOUCHED\] GET UPTO \\$5000 AMAZON GIFT CARDS FOR FREE EVERY MONTH - LIMITED COPIES](#)

HypeGuy - December 21, 2021, 8:21 am

Willing to sell my method on how to get free Amazon Gift Cards every month. The method is autopilot, so you don't have to do any work.

The platforms you can get AGC for are:

- Amazon IT
- Amazon DE
- Amazon COM
- Amazon CA
- Amazon UK

There is investment required. You will get gift cards based on the amount you invest. \$1000 investment will bring you \$2000 gift cards.

The investment has to be made with BTC or LTC.

Can be done once monthly per account.

The gift cards are 100% safe, I'm ordering stuff every week and have 0 issues.

I'm going to sell only 10 copies of this method on these prices:

Copy 1-3 \$500
Copy 4-7 \$750 1 LEFT COPY
Copy 8-10 \$1000

My discord is shibainutothemoon#7996

Are the cards coming from a person or a company?

They are coming from a company.

Copy 1 sold. Potential buyer contacted me for copy 2. \$500 copies ending soon.

I bought the method and had a mentoring session with OP. He showed me how to do it on live call

and I can confirm the method works. The method is really simple and unique. The whole work you need to do is only a couple of minutes. I will deposit tomorrow and show you my results. Very good and unique method ! Totally worth the money since you can recover what you paid in no time doing it.

You understand it's Christmas and some of the people are busy/out for the fests, they bought to secure their copies cheaper. Those who work on it have their reviews posted on the main page, and it's not only Tsu but 2 other people who told you the method is legit.

Last \$750 copy is being sold currently. 3 Copies of \$1000 are going to be sold and the sales are closing, you won't have other chance to buy the method.

Yeah and when i asked to buy with a MM you said all the \$750 ones were taken and that i had to buy a 1k one and here we are there is still one available.

Holidays or not it takes 24h to double your money shouldnt take buyers days to report back when your first one did it in one day. So ill just wait to be sure. A vouch saying its legit without earnings proof means nothing.

You are just upset, I declined selling to you both haha. Where were you when copies were \$500 and I was encouraging the use of Middleman. Now when my customers started earning and I know I will get all good vouches once other people who use the method start using it. You can ask previous customers and I can show proof that I had no issue accepting MM.

It's only few copies left so whoever is first wins, people like you will only regret. You can probably ask some of my buyers to leak it to you if you are so desperate haha.

misanthropino - December 27, 2021, 10:13 am

I bet other customers will post their feedback after the 28th of December, so when the sales will be closed.

I hope I'm wrong. :-)

xyzDraxler - December 27, 2021, 11:58 am

The method is fairly simple. I personally have been busy and the seller also, so what normally should take 2 days has taken longer.

The price tag is a lot but the seller can be trusted. Once you buy it and he goes over it with you, you'll understand.

HypeGuy - December 27, 2021, 1:50 pm

Tomorrow at 17:30 GMT +2 I will be closing the sales. The main idea of why I released this method for sale was to gather more money to bet on my fixed game tomorrow. The game starts at 17:30 PM GMT +2 so I'm closing sales after that. I will continue working with all my existing customers.
