Welcome to The Biggest Long

We are providing:

Predictum (\$2,000 per month)

Wolves (\$100 per month)

Wolfpack (\$100 per month)

Heisenberg (\$100 per month)

Fat Pig (0.25 eth per month)

All of these for \$100 a month

And if you calculate how much these are worth we are basically giving you a flat 96% discount

Search for @TheBiggestLong on telegram

Many more to come

These are trading indicators OP is trying to "leak"

Highly doubt this is a legit service. Don't be surprised if this guy runs with your \$100
