Thread: [Can't find a working unpacker for this PE \(ConfuserEx 1.X\)](#)

oje28830 - December 22, 2021, 10:38 am

I tried so many public unpackers from [here](#) and none of them successfully unpacked the PE, any tips?

If anyone want to try to unpack and deobfuscate the PE, please PM me and i will send him the PE. Thanks.
