Thanks. Imma put it in my next post with credit

OgCron1k - January 15, 2022, 11:37 pm

Thanks for the post your the best

Killer - January 19, 2022, 3:55 pm

I usually get my dorks from [exploit db](#).

Hope this helps someone!

Pro tip: intext:x and "x" do the same thing so you can chain them to get results that contain both instead of only one of them.
