Thread: [Telegram scraper / Add members to group](#)

Tigri - December 26, 2021, 11:28 am

Is there a good bot around for this? Free/paid.

I have a telegram group, I want to scrape members from another group and add them to mine. (automatically)

I was also looking for this and found out that there are some services offering it. But don't know if they are legit as i stumbled upon many scam sites too.

HMU if you find a solution OR if you know a legit site offering this as a service please
