FAQ

What the methods is about ?

It is about crypto , but none of the old shit crypto things. It is totally a genius strategy.

How much I can earn?

You can easily achieve \$100-\$500 a day , but all depends on how much effort you put.

What do I need to begin ?

Nothing more than an internet , a pc or a mobile phone.

Do I need to invest?

It depends on you. You can begin with small investment for a start, but more you invest more you can earn.

Do I get paid from a company or people ?

No, you can control your money and you can get paid after 10 minutes if you do right things. It can be from minutes to some days.

Does this work worldwide?

Yes

Is this legal?

Yes it's totally whitehate, you are 100% safe.

Can the method be saturated or pathed ?

Never, it will run until the life ends. Even if 1 million people do it.
