Thread: [Blackbear](#)

MrsMovesss - December 29, 2021, 11:03 am

Anyone heard of this artist? Recently came across his music and fell in love <3 xd

https://www.youtube.com/watch?v=sPMV9hD2i7k&ab_channel=blackbear

I listen to a large playlist on repeat every day when I'm playing games or coding, its got over 200 songs

SeaTurtle - January 3, 2022, 1:02 am

yee, he's really good. remember he popped up of pandora i think and i started listening to him. "do re mi" and "idfc" are great and have been on my playlists for a while.

I used to listen to this artist a while back, very chill indeed

cyberspider - February 13, 2022, 12:35 am

aaaa omg the nostalgia of listening to IDFC as a kid... I've become so obsessed with blackbear again as of the last few months, glad to see his community growing still <33
