Maybe that will be the only way :P if of course I'm lucky

What a great deal. If I were more into the bytes market I'd definitely take advantage of this.

Gaylubeoil - December 29, 2021, 7:48 pm

No love for purchase made with Bytes. Sadge

Crippy - December 30, 2021, 7:57 pm

I might buy it, but is it a guaranteed win?

neightworks. - December 30, 2021, 8:38 pm

In light of this I bought 10k bytes worth since I forget scratch off still existed and lost 6k bytes.

Truth - December 30, 2021, 8:57 pm

Has the house edge/odds change for this or are they still the same?

Lavish Living - December 30, 2021, 9:14 pm

Release bytes award purchases that have been pending for a while ty we will all engage in scratch cards for chance to win cheap bytes then all get the bytes bag award!! Yippie

From that you can see the odds. The \$100 card is the only one with a guaranteed payout.

King Shroom - January 2, 2022, 2:06 pm

I am going to take up the 1000 bytes as that is all that I have will update later with the result ?

Edit: I WON 2000 Bytes ?

From that you can see the odds. The \$100 card is the only one with a guaranteed payout. Purchased! Lets see some big wins. If I win the 1% odds Ill give you 10k Omni no cap!

Purchased it but guess I was late for the party. Thanks though.

Omniscient - January 3, 2022, 10:22 am
