Thread: [Anyone with Twitch Prime that doesnt play RS](#)

Parkway - December 29, 2021, 11:00 pm

Was wondering if you wouldn't mind redeeming the free 7 day OSRS membership trial with Twitch Prime on my RS account. I can just send you the login info and you click to claim the offer on twitch and it'll ask you to sign into a RS account.

my birthday is in 3 days btw

Happy early birthday.

Hopefully you find someone who will do this for you.

It's been 3 years since I've even logged in to either. I got ya if you still want it.

Don't you need to link your actual account to redeem? Meaning you would need their login?
