Thread: [HIJACK INACTIVE ACCOUNTS \[TUTORIAL \]](#)

Mr Shadow - January 2, 2022, 2:23 pm

Name: Hijack Inactive Accounts

Price per copy: 500 euro

Last time checked and working: 2022/01/02 11:42 PM

Description:

Method requires to know Name Lastname, Country,

Tools that is used for method can be downloaded from official sources all free to use.

Proxy is required, but not included.

Short Story:

This method works with Facebook, Instagram, Twitter or any other platform where account is inactive and registered with Name Lastname.

I am using this method all me life and exploit can't be fixed or patched its gonna work for lifetime.

0/1 Vouch copy available ` HQ member will be choosen from comment section.

If u have questions u can ask using HackForums conversation system or using Telegram:

Throwing my hat into the ring for a vouch copy. Interested to see how this works.

sakki - January 2, 2022, 2:59 pm

Can you just do one account for me ill pay of course,dont need the whole explanation how to do it?

Fi?is - January 3, 2022, 5:04 am

Hello, can I grab the vouche copy ? Thank you
