Thread: [Dell e-Gift Card or Physical, PAYING 200% OF STORED VALUE](#)

I need a digital or physical Dell Gift Card or both, I'm paying 200% of the stored value.

There are 2 types of Dell Gift Cards, there are promotional ones that expire after 90 days, those I have no interest in, then there are e-Gift card from Dell that never expire, can hold up to \$2,000 and are DISCONTINUED. I want to buy these to fulfill a Colnect collection request and I'm willing to pay 200% of the stored value on the card. I only need 1 e-Gift and 1 physical, first come first serve, payment in crypto and I'll be happy to pay upfront if I deem you trustworthy.
